**138th COVID-19-Related Fatality Reported; Twelve of 508 Test Positive for COVID-19;
UPDATED COVID-19 Vaccination and Testing Schedule;
DPHSS Child Care Development Fund Awarded \$18.3M**

138th COVID-19-Related Fatality Reported

The Joint Information Center was notified that Guam's 138th COVID-19-related fatality occurred at the Guam Regional Medical City (GRMC) at approximately 11:17 a.m. today. The patient was a 54-year-old male with underlying health conditions. He was admitted to GRMC on April 29 and tested positive upon admission.

"Our island mourns another loss to this deadly virus. To those who knew him, Jeff, Josh, and I offer our deepest condolences and sympathies. May you find comfort in the outpouring of love and support from those around you," said Governor Lou Leon Guerrero. "Though we grieve, we must not grieve as others with no hope. We have the tools to prevent any more loss of life and call upon the community to do what is necessary to prevent any more days of sadness."

Results: Twelve New Cases of COVID-19

Twelve (12) new cases of COVID-19 were identified out of **508** tests performed Tuesday, May 4. **Four (4)** cases were identified through contact tracing. To date, there have been a total of **8,016** officially reported cases of COVID-19 with **138** deaths, **99** cases in active isolation, and **7,779** not in active isolation. **The CAR Score is 1.1.**

The community is reminded to remain vigilant:

- Remain home if you are sick. Keep away from others who are sick and limit face-to-face contact with others.
- Keep a safe distance of 6 feet or more between yourself and others who are outside of your household.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not readily available, use alcohol-based hand sanitizer that contains at least 60% alcohol.
- If visiting elderly family members, continue to practice social distancing to protect those you love.

COVID-19 symptoms include, but are not limited to:

- Cough
- Shortness of breath
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

This list is not exhaustive of all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, and diarrhea.

DPHSS Child Care Development Fund Awarded \$18.3M

The DPHSS Child Care Development Fund (CCDF) was awarded \$18,344,631 through the Coronavirus Response and Relief Supplemental Act (CRRSA) of 2021 to address the needs of child care providers and families impacted by the COVID-19 pandemic. The administration of this program is subject to statutory requirements of the Consolidated Appropriations Act of 2021, the Coronavirus Response and Relief Supplemental Appropriations Act of 2021, and the Child Care and Development Block Grant (CCDBG) Act and related regulations. These funds can be used for allowable obligations incurred prior to the enactment of CRRSA to prevent, prepare for, and respond to coronavirus. For more information about this award, contact the Division of Public Welfare at 735-7344 or email at childcare@dphss.guam.gov.

GBHWC Crisis Hotline

The Guam Behavioral Health and Wellness Center (GBHWC) has a Crisis Hotline available 24/7 at (671) 647-8833/4. For those feeling anxious, stressed, overwhelmed or are needing to talk to someone, GBHWC has experienced providers available and ready to assist the community with any heightened stress and anxiety experienced as a result of COVID-19.

For the latest information on COVID-19, visit dphss.guam.gov or guamrecovery.com. For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.
